COVID-19 Update 21st May

The next vital step to ensure we remain compliant The Fuel Industry COVIDSafe Plan

We at UCB along with our partners at ACAPMA have been there with our members throughout Covid-19 offering guidance and support, as you stayed open, keeping Australia moving. It is more important than

ever with the lifting of restrictions that we keep our standards high and revisit the rules around store cleanliness and compliance to government regulations.

Hand Sanitiser Stations – UCB respond to member requests.

We have attached an order form on the link below, which shows the four different types of Sanitiser Stations available from one of our partners, SPOS Group, along with a kit which means it can be customised.

They allow our members a further way to improve our responsible response to Covid-19

and to safeguard further our staff and our customers.
 Bulk Hand Sanitiser Fluid is available
 through SPOS as well as our other Trade Partners as we
 have previously notified in the Covid-19 Daily Update.
