COVID-19 UPDATE

FOR OUR NSW MEMBERS

Greater Sydney

Published: 23 Jun 2021

Released by: The Premier, Minister for Health and Medical Research

To protect the people of NSW from the evolving COVID-19 outbreak, new restrictions will be introduced for Greater Sydney from 4pm today for one week.

Following updated health advice from the Chief Health Officer Dr Kerry Chant about the growing risk to the community, the following restrictions will be introduced for Greater Sydney, the Central Coast, Blue Mountains, Wollongong and Shellharbour;

- Visitors to households will be limited to 5 guests – including children;
- Masks will be compulsory in all indoor non-residential settings, including workplaces, and at organised outdoor events;
- Drinking while standing at indoor venues will not be allowed;
- Singing by audiences at indoor shows or by congregants at indoor places of worship will not be allowed;
- Dancing will not be allowed at indoor hospitality venues or nightclubs however, dancing is allowed at weddings for the bridal party only (no more than 20 people);
- Dance and gym classes limited to 20 per class (masks must be worn);
- The one person per four square metre rule will be re-introduced for all indoor and outdoor settings, including weddings and funerals;
- Outdoor seated events will be limited to 50% seated capacity;
- Previous public transport capacity limits, represented by green dots, will be reintroduced;
- If you live or work in the City of Sydney, Waverley, Randwick, Canada Bay, Inner West, Bayside, and Woollahra local government areas, you cannot travel outside metropolitan Sydney for non-essential travel.

These restrictions are designed to reduce the risk of further community transmission. NSW Premier Gladys Berejiklian said we are once again asking the community to do what they do best and follow the health advice to get on top of this outbreak.

“We don’t take these steps lightly and we never want to impose restrictions unless we absolutely have to,” Ms Berejiklian said. “We know the effect this will have on residents and venues but we must take this action now to ensure we keep on top of this outbreak.”

Chief Health Officer Kerry Chant urged the community to play their part in controlling the COVID spread.

“We need really high testing rates to make sure we’re stopping any chains of transmission and we’re continuing to urge people to come forward for testing, especially if you were in Westfield Bondi Junction (including the car park) at any time between 12 June and 18 June,” Dr Chant said.

Health Minister Brad Hazzard said more than ever people need to use QR codes and wear

masks when required. “We will be increasing supervision and compliance checks to make sure everyone is doing the right thing,” Mr Hazzard said. “This pandemic is far from over and we all have to do our bit to protect the community.”

The government and health experts will continue to monitor the situation closely and provide updated information and advice.

All States/Territories please use the below link to see Covid-19 Restrictions specific to your state:

In the past week there have been changes to various restrictions by State – please take the time today to double check what you are required to do by your government. All States/Territories, please use the below links to see Covid-19 restrictions specific to your state:

COVID Restriction Checker: Click on the image for further information.

One click takes you to area of query, eg. Retail and Sales

Second click takes you to State/Territory specific info – this is direct to the State Government websites.

COVID-19 Restriction Checker

Choose State

Australian Capital Territory	New South Wales	Northern Territory
Queensland	South Australia	Tasmania
Victoria	Western Australia	

You will need to assess each rule as it applies to your individual business. At UCB and with help from our friends at ACAPMA, we are here to offer advice.

Why not call the helpline from your State government – the people manning the lines are extremely helpful and the conversation can be very informative.
