

Tuesday 21st April, 2020 (follow on from Monday 20th April)

COVID-19 Update 21st April

So it has been over a month of Covid-19 Updates – 25 so far in total! Going on your feedback, many people are finding them useful. We will keep them coming, whenever there are new items to share and common questions, but it is anticipated that the frequency will drop off soon (probably by the end of the week), as the constant change settles into a more stable pattern. We are conscious of only providing information that is relevant to your business and our industry, so with this in mind each **Covid-19 Update will reference on the header** when the last one was – just to ease any concern that you may have missed an update, when we go to more infrequent mailings.

Latest important information from our Industry body, ACAPMA

- NSW, VIC and TAS Safe Work Regulators publish Pandemic Planning Advice
- JobKeeper Resources published by the Fair Work Ombudsman
- JobKeeper Disputes will be the jurisdiction of the Fair Work Commission
- ABS Releases first look at the impact of COVID-19 on households

Hand Sanitiser Stations – UCB respond to member requests.

Following up on our successful provision and roll out of both safety screens and social distancing floor stickers, we have been following up on requests from Members regarding hand Sanitiser Stations.

We have investigated the market and looked at different options out there. We have decided the most cost effective model and the one that best fits our Members' business (and so recommend) is being provided by one of our partners, SPOS Group. We attach an order form on the link below, which shows the four different types of Sanitiser Stations and also explains the way to order these.

Hand Sanitiser Stations

Freestanding Unit \$145 ea
Gondola Attachment \$79 ea
Counter Top Unit \$79 ea
Wall Mount Unit \$88 ea

Refillable Pump Bottles Available:
